One of the following:

\_\_\_ STAT 427      \_\_\_ Approved Internship

\_\_\_ Simultaneous enrollment in another graduate program that uses statistics

At least one more of STAT 424, 426, 428, 429, 525 and 571 (circle one or more)

Other courses:

Your signature \_\_\_\_\_ Date \_\_\_\_\_

Please submit to: Applied MS Program, Department of Statistics, 101 Illini Hall, MC-374. Include the **form on the next page** signed by your current Graduate Advisor.

**Endorsement from Applicant's current program.**

Name \_\_\_\_\_

Position \_\_\_\_\_

Department \_\_\_\_\_

I endorse the application of \_\_\_\_\_ (student's name) to the Applied Masters program in Statistics.

Signature \_\_\_\_\_ Date \_\_\_\_\_

Comments:

**Note:** This degree is intended to supplement graduate studies in other fields. Admission to the Applied MS in Statistics program requires that the student is already admitted for graduate studies in a related field at UIUC. The student must transfer temporarily to the Department of Statistics for one semester prior to completing the Applied MS degree, returning thereafter to the primary program.
